Daimer Industries® offers more than 200 models of KleenJet® steam cleaners designed for residential and commercial applications. The machines include a variety of Daimer®-only technologies and full-warranty coverage. Unique KleenJet® technologies include stainless steel boilers guaranteed for the life of the machine, antimicrobial ATIS® systems for disinfecting, Gum Exterminator® technology for eliminating hard-to-remove chewing gum wads, and industrial steam vacuums in an assortment of sizes and configurations. Daimer®'s KleenJet® steam cleaners can be purchased in a variety of pressure level options ranging from 75 psi to 150 psi and temperatures as high as 386°F. The machines are also available in 50 Hz and 60 Hz configurations for customers located worldwide.

**Daimer®'s Revolutionary Stainless Steel Boiler**

- Clean \* Sanitize \* Degrease \* Deodorize
- No Toxic Chemicals! Easy to Learn & Operate!!
- *Revolutionary System* Using Ordinary Tap Water
- Advanced "Dry Steam" - 5% Water in the Vapor
