

Worldwide Leader In Advanced Cleaning Systems

DAIMER®

INDUSTRIES

The **Revolutionary** XTreme Power²

XPH-9600

Commercial Carpet Cleaner System

Daimer Industries is the proud provider of one of the most durable and high-performance lines of carpet cleaners and carpet steam cleaners in the industry today, namely the **XTreme POWER®** series. We are pleased to offer our customer some of the most rugged carpet cleaner models available for high-powered carpet and upholstery cleaning and at greater distances than is possible with other less robust carpet cleaning machines. The **XTreme POWER® XPH-9600** represents the high quality workmanship, durability, and versatility for which for which the factory has been well-known for over 30 years. Invest in Daimer and our carpet cleaners that will yield years of satisfaction and reliability versus the short lifespan of those less expensive, lower-quality carpet cleaner sold in retail stores and elsewhere. Daimer's carpet cleaners are designed to stand the test of time.

- All systems are available in 220v, 50Hz for non-USA applications
- Enormous cleaning power and impressive performance
- Rugged quality construction/Low maintenance design
- Heavy duty motors
