Daimer® XTreme Power® offers more than 20 models of carpet cleaners and upholstery cleaners. The XTreme Power® line is available in configurations designed for everything from auto detailing to low-pile carpet shampooing. The line also includes both heated and unheated models. The XTreme Power® XPC-12000 is a walk-behind machine with a 20-inch cleaning path for cleaning the largest carpeted areas in casinos, hotels and other hospitality facilities. Daimer® offers the machines in both 50 Hz and 60 Hz models for customers worldwide. Recently, Daimer® increased the pump pressures across much of the line. The company also introduced a carpet head design offering greater extraction with the same vacuum system.

- All Daimer® carpet and upholstery cleaners include exclusive **Low Flow Technology** to *rapidly reduce drying times without impacting cleaning power*. Drying times as low as 2 hours for carpet (1 hour for upholstery) allow operators clean and shampoo carpet and upholstery effectively with the highest productivity.
- This walk-behind model offers enhanced productivity for hotels, resorts, casinos, government buildings, office buildings, and other commercial/industrial facilities with heavy carpet cleaning demands. The 20" cleaning path enable quick cleaning of large areas.
- Pair with **Eco-Green® Carpet Care & Upholstery Cleaner** for the best, most environmentally safe results.
