Daimer®'s XTreme Power® HSC line includes more than 20 models designed for industrial, commercial and residential applications. The machines is composed of a variety of machines designed for optimum performance on a variety of surfaces. The HSC line includes: self-contained floor cleaners, high-performance units for cleaning up after water damage as well as machines with powered spinning heads. The powered spinning heads come in two sizes, 9-inch and 19-inch, for large and small applications. Several machines are optimized to handle deep-cleaning on porous tile floors. All the machines are covered by Daimer®'s exclusive warrantee options for years of worry free operation.

The XTreme Power® HSC 13000A can be used as several machines in one:

- **Multi-Surface, Portable 1500 PSI Hard Surface Spinner Cleaning Machine** - Configured as is.
- **Commercial Carpet Extractor** - With optional carpet wand.
- **Commercial Upholstery Cleaning Machines** - With optional upholstery wand.
- **Commercial Pressure Washer** - With optional pressure wand.
- **Commercial Wall Cleaning System** - With 9" spinner head placed in hands or optional squeegee wand.
